Description

The Monterey 278 Super Sport is a combination of luxury and technology that exceeds all expectations and preconceived ideas that anyone could have about a powerboat. This beauty of the sea has a spacious cockpit as well as a large aft seating area that runs from port to starboard making you feel as if you were resting on the sofa in your own home. However, for those who want to bask in the Mediterranean sun, this seat can also be converted into a large solarium. Take the opportunity to know the pleasure of sailing on this marvel, you will not regret it.
