Description

The SEANFINITY R3 is designed for high speed enthusiasts. Combining lightweight composite construction and advanced hull design, the R3 is an efficient high performance planning hull with incredible amenities to provide you and your guests with all the comfort you need while on board.

Powered by an astonishing 900 pro Racing hp, the R3 reaches speeds of over 55 knots (100 km/hour) without ever giving up extremely comfortable and safe cruising. The huge aft cockpit features an oversized sun lounger, an open-air galley and a bar with ample seating.

Consumption of 150 litres / hour at a cruising speed of 30 - 35 knots.

Consumption of 250 litres / hour at the maximum speed of 55 knots.
