Description

The V55 represents the epitome of British craftsmanship and Italian design by Pininfarina, merging Princess' 50 years of experience in luxury boat manufacturing and Pininfarina's 90 years of history in the field of design. A unique and exclusive style made possible by the collaboration between Pininfarina and Olesinski, the prestigious design and naval architecture studio.

The striking V55 features a sleek and dynamic exterior profile coupled with an intelligent use of space and all the exceptional performance qualities of the V Class range.

The exterior of the latest V Class is characterized by long sweeping lines and sculptural forms that are striking in their simplicity. The dynamic profile conceals a spacious interior that's perfect for just relaxing or making longer journeys in supreme comfort.

Her main deck has been purposely designed for those who enjoy true open boating, boasting a large sun pad located aft of the cockpit and a further foredeck seating and sunbathing area.

Featuring three generous guests cabins, the V55 is class leading for a yacht of her size. Her ensuite master stateroom utilizes the full beam of the yacht. Additional guests can enjoy the ensuite forward cabin which benefits from the option of scissor berths in addition to a third bunk cabin.

With a top speed of 37 knots, she promises to deliver a powerful V Class sports yacht experience.
The most efficient power boat powered by Volvo Penta low emission 1000HP engines.
